18 On October 24, 2013, plaintiff, a California prisoner proceeding *pro se*, filed a letter
19 addressed to Judge Henderson regarding his medical care, which commenced this action.
20 (Docket No. 1.) Plaintiff's case was assigned to a magistrate judge and a notice of assignment of
21 prisoner case to magistrate judge was sent to plaintiff. (Docket No. 4.) The same day, the clerk
22 notified plaintiff that he failed to submit a complaint. (Docket No. 2.) The clerk also notified
23 plaintiff that he had not paid the filing fee, nor had he filed an application to proceed *in forma*
24 *pauperis* ("IFP"). (Docket No. 3.) Plaintiff was cautioned that his failure to file a complaint and
25 either file a completed IFP application or pay the filing fee within twenty-eight days would result
26 in the dismissal of this action. All three notices sent to plaintiff (docket nos. 2, 3 and 4), were
27 returned as undeliverable because plaintiff's name and the California Department of Corrections
28 ("CDC") number did not match. (Docket No. 5.) On November 29, 2013, each notice was

1 resent to plaintiff utilizing the correct CDC number. The mail sent utilizing the correct CDC
2 number has not been returned. To date, plaintiff has failed to have any communication with the
3 court.¹ Thus, the instant action is **DISMISSED** without prejudice.
